8. Insight into **cost-effective** SAF options
9. Clear **implementation** processes
10. Support in SAF **roadmap** development

to be part of greater good

most effectively

of SAF and Direct supply

Biggest take-aways

A

Arsène ndzime
Very good

T

Tshegofatso Ntombela
It's an adoptable technology

D

Davies Mandove
SAF requires substantive financial support to be affordable

P

Phalessy Ngoma
There is a lot already happening

M

Mrs Christopher N Wongmicit
SAF IS HERE TO STAY

M

Michael Mangole
Collaboration is key to the success of SAF

A

Augustus Mogoi
Better understanding of SAF

K

Khomotso Chadi
SAF is here to stay and it must be done

F

Fatoumata Niang
More information about SAF because it was my first time

F

Frankline Omondi
The deployment of SAF is possible

A

Alfred Ngala Otsiambo

1. There is a lot happening and a lot to **learn**
2. SAF is an **adoptable technology**
3. SAF is possible and **here to stay**
