

Operationalisation of the Single African Air Transport Market (SAATM) – Support to the African Civil Aviation Commission (AFCAC)

AFCAC AND EASA JOINT WEBINAR SERIES ON THE ACCELERATION OF DEVELOPMENT, PRODUCTION & DEPLOYMENT OF SAF/LCAF IN AFRICA

Webinar on “Partnerships as enabler along the SAF Value Chain”, 10 September 2024

SPEAKER

KEBE MAME / YACINE

Job title Director Safety Environment and Quality, LAS – Operator of Dakar Blaise Diagne Airport, Senegal

CURRICULUM VITAE

Mrs Yacine KEBE is an Air Navigation Engineer, a Safety Management System Expert, an Accredited Aviation Accident Investigator, and accredited IAP (ACI/ICAO Airport Management Professional Accreditation Program). She holds various qualifications on Environment and Quality.

She started working at ASECNA National Aeronautical Activities Administration in charge of aeronautical information and regional aerodromes.

As Head of Airside Operations at Dakar International Airport she developed and coordinated the training for the airside driving license before taking responsibility of safety internal audits and stakeholders' audits as Quality and Safety Manager. She was the Senegalese Airports Agency's designated focal point for Operational Readiness And Transfer to the new airport.

Since the opening of the new Dakar Blaise Diagne airport in December 2017, she added Customer Experience and Sustainability to her arc. She implemented Dakar Blaise Customer Experience program with various international recognitions and awards and is leading the airport carbon management plan and sustainable transition.

During Covid 19 pandemics she oversaw Blaise Diagne International Airport Recovery and Restart Committee. An active member of ACI Africa, she coordinates the regional committees and the leadership and sustainability programs.

She has lived in Senegal, Spain, France, and Niger and is fluent in Spanish, English and French.

This project is funded by the European Union and implemented by EASA
