SPEAKER

TESEMA ADAMU DERESSA

Organization, Position

Ethiopian Civil Aviation Authority, Team Leader of Environment and Climate change

CURRICULUM VITAE

Tesema Adamu Deressa is currently working in Ethiopian Civil Aviation Authority (ECAA). He is responsible for the aviation environmental protection issues and is a focal person for Ethiopia on CORSIA and State Action Plan (SAP) matters. He is a team leader of Environment and Climate change. Before joining ECAA, he worked as a graduate assistant and lecturer in Meteorology and Hydrology faculty, Arba Minch University, Ethiopia. He also worked as a junior researcher of Agricultural Meteorology in Oromia Agricultural Research Institute (OARI) for more than a year. He has done research works with other colleagues and has published articles in the area of environment and climate change.

This project is funded by the European Union and implemented by EASA
