EMILE/ARAO

Kenya Civil Aviation Authority, Director General (DG)

CURRICULUM VITAE

Mr. Emile Nguza Arao is a passionate aviation specialist who is both a pilot and engineer, with over 20 years of aviation experience in different operational areas.

Emile is an entrepreneur at heart, having started numerous business interests as well as being a highly talented and accomplished Aviation Professional holding his Bachelor of Science Degree in Aircraft Engineering Technology, his Master's Degree in Business Administration in Aviation, with a specialization in Aviation Systems Management; both obtained from Embry Riddle Aeronautical University (U.S.A.). He has also worked as an Airframe and Powerplant (A&P) mechanic and holds a Kenyan and USA Commercial Pilot License (CPL) with Multi-engine and Instrument Ratings. He is also a certified Government Safety Inspector (GSI) in Aircraft Operations and Airworthiness.

Emile has worked in several capacities in the aviation industry. Before his current appointment as the Kenya Civil Aviation Authority (KCAA) Director General, Mr. Arao served as the Executive Director at the East African Community - Civil Aviation Safety & Security Oversight Agency (EAC - CASSOA) a Regional Safety Oversight Organization (RSOO).

This project is funded by the European Union and implemented by EASA
